

NATEF CURRICULUM 100% TASK COVERAGE

CD-ROM Curriculum Package

ATech Training, Inc. and the Instructional Materials Laboratory of the University of Missouri-Columbia have agreed to a collaborative effort of course ware and equipment development. The IML curriculum package includes references to the relevant ATech training systems. The CD-ROM program covers all NATEF tasks. Coverage is also included of Safety, Shop Operation, Components and Careers.

The CD-ROM curriculum is in Portable Document Format (PDF) and can be accessed using Acrobat Reader on either PC or Macintosh platforms. Job sheets, assignment sheets and tests are also on the CD as Microsoft Word™ Files that can be opened by most word processing programs. Word format enables the instructor to customize components to reflect available equipment and individual teaching styles.

Power Point™ templates are included for all modules.

Module 5, Suspension and Steering, sample is available for viewing. See Product/Computer Based Instruction/View Module 5 PDF(2M) and/or View Module 5 Power Point (1.6M). Active sections are indicated in red.

- NATEF Task Reference (Priority Item Crosswalk) is located in the Introduction Section—Pages 11 through 16.

Contact ATech for individual CD and/or complete package pricing.
